**SUBJECT: "DINING WITH THE STARS" at Willow Valley's Palm Court on Saturday, October 25**

Join the New Holland Band for a very special evening on Saturday, October 25 when we will "Dine with the Stars" at Willow Valley's elegant *Palm Court*. The main event of this fun-filled evening will be the screening of two Buster Keaton silent movies from the early 1900's accompanied by the *live* New Holland Silver Screen Theatre Orchestra. This will be the premiere performance of the theatre orchestra in what very well may be the first live orchestra accompaniment of a silent movie in Lancaster County. Watch as the orchestra characterizes the thrills and spills of the movie through music, just like it was done almost a century ago!

The evening will also include dinner music provided by the New Holland Band as well as the auction of three unique Band items by the always-entertaining Don Welsh.

Reserve your seats or an entire table for friends or business associates for a fun-filled evening unmatched in Lancaster County. Seating is limited and tickets for this premier event at Palm Court including dinner, auction and the best of Buster Keaton are only \$30 each. Don't delay, secure your seat or table today.

Tickets may be procured by sending a stamped, self-addressed envelope to:
