The Officers, Board of Directors, and musicians of The New Holland Band thank you for your continued support. Our Business Manager has scheduled a full year of concerts and events for 2023. Stay tuned.

The theme for the 2023 Opening Concert is the America Cowboy. To fully appreciate the music of the Old West, Dr. Laudermilch has invited a Special Guest singing group famous for its performances at the Grand Ole Opry and around the country to share the stage. Non-members of the band's Associate Membership Program will be offered Opening Concert tickets for \$35. Details to follow.
